

The Mind RESEARCH NETWORK

FOR NEURODIAGNOSTIC DISCOVERY

MRN Scanner Fee For Service Schedule

January 1, 2010 - December 31, 2010

Scanner	Rate/ Hour
3T MRI	\$ 415
MEG	\$ 575
EEG (per scan)	\$ 16
1.5T Mobile	\$ 415

For subcontract pricing, please contact MRN's Office of Sponsored Research at MRNOfcRes@mrn.org.

Terms:

Billing will be on half hour increments. Machine time charge includes MR/MEG technician. In addition, MRI cost includes a neuroradiologist review. For non-brain scans requiring a radiologist review, the review cost is not included in the hourly rate. EEG cost does not include technician time and requires users to do full setup and cleanup. Additional supplies will be billed at actual plus applicable F&A. Rates are subject to change.

If used, contrast will be charged at \$200 per vial (in additional to the hourly scan charge).

1.5T Mobile scans must be scheduled in advance with Dr. Kent Kiehl (kkiehl@mrn.org).
